

Ravenswood Drive Traffic Survey

Q11 What else could be done to improve the living environment?

Answered: 49 Skipped: 0

| # | RESPONSES | DATE |
|----|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------|
| 1 | Wider pavements. A segregated cycle route. More trees. | 11/6/2017 8:54 PM |
| 2 | An environment more geared for pedestrians/ cyclists rather than cars would make the area a more enjoyable place to live. | 11/6/2017 12:32 PM |
| 3 | parking permits .Make it a twenty speed limit . | 10/9/2017 1:01 PM |
| 4 | Community garden | 10/5/2017 7:41 PM |
| 5 | Children to be supervised when playing on street | 10/5/2017 3:43 PM |
| 6 | Speed bumps could be put in the area and the back lanes where the bin lorries travel could be levelled. | 10/5/2017 2:19 PM |
| 7 | Mostly slowing cars on ravenswood dr | 10/4/2017 8:44 PM |
| 8 | It's already covered. | 10/4/2017 8:07 PM |
| 9 | Reduce speed limit introduce traffic calming | 10/4/2017 6:46 PM |
| 10 | More considerate parking required. It isn't necessary to park cars to align doors to gates when this leaves your neighbours no opportunity to park anywhere close to their homes. | 9/25/2017 8:52 PM |
| 11 | n/a | 9/7/2017 8:45 AM |
| 12 | Speed bumps or something similar | 9/6/2017 5:06 PM |
| 13 | A joined up cycle route along Pollokshaws Road from Waverley park to Pollok Park would be great. I need to take the kids on the pavement at the moment. | 8/15/2017 4:49 PM |
| 14 | Less traffic, less speeding cars. | 8/12/2017 10:04 AM |
| 15 | Access to the school playing fields so that the children could play football or run around after School hours/weekends. | 8/11/2017 4:49 PM |
| 16 | I agree about the dogs mess but most of this is from non residents using our lanes. I am a dog owner who always cleans up. There is always an issue when the schools go back with Shawlands Academy kids smoking and sometimes drinking down the lanes. I have had a bottle of vodka thrown into my garden when I asked them to move on! | 8/10/2017 9:20 AM |
| 17 | Improve the back lanes | 8/9/2017 5:45 PM |
| 18 | Some of the lanes (Ravenswood / Nigel) are littered with refuse bins which are not collected by residents after the uplift. Hence the area looks untidy and some bins have been set on fire. The custom of leaving bins in the lane permanently is a new one. Some Residents in Nigel Gardens even use their lane for disposing of building waste and gardens waste. The regular litter picks by the school lane residents really have made a difference. | 8/8/2017 8:46 PM |
| 19 | Tarmacing the lanes to provide a more pleasant/safe area. CCTV of lanes | 8/8/2017 7:49 PM |
| 20 | Traffic main concern | 8/8/2017 7:10 PM |
| 21 | More play spaces and greenery in the street to make it more of a place to live and socialise. Traffic-free routes to local places so that school age children can learn to walk or cycle independently. | 8/8/2017 6:49 PM |
| 22 | Designated play zones, safe routes to walk or cycle to and from school, and for older residents. | 8/8/2017 10:16 AM |
| 23 | catch the drivers who drive excessively at night | 8/7/2017 1:17 PM |
| 24 | If we could resolve the traffic issues, this would be a wonderful street | 8/6/2017 8:54 PM |
| 25 | N/A | 8/6/2017 10:57 AM |
| 26 | . | 8/5/2017 4:05 PM |

Ravenswood Drive Traffic Survey

| | | |
|----|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------|
| 27 | None | 8/5/2017 12:29 PM |
| 28 | Creation of a small and enclosed play park at the junction of Ravenswood and Pevril. At the east side of the junction quite a bit of unused road space! | 8/5/2017 12:14 PM |
| 29 | Creating a comminal play area for children (i.e. a small swing park) would be good. | 8/4/2017 8:25 PM |
| 30 | It would be great if there was a small playpark or communal green space in the local area for children/community to use. This doesn't need to be a large space. I've wondered about the unused triangle of land between dinmont and durward? | 8/4/2017 8:02 PM |
| 31 | Car speed is the most important problem for me | 8/2/2017 7:16 PM |
| 32 | I would like to see weekly street cleaning reinstated. I have been told by the Cleansing Department that they no longer have the resources to do this and can only react to complaints from residents regarding litter or blocked drains/gullies.This is unacceptable. | 8/2/2017 3:27 PM |
| 33 | Streets should be swept every week. Spray weeds like used to be done. Neighbours should pick up hedge clippings instead of letting them blow around. | 8/1/2017 5:15 PM |
| 34 | Repairs to the current road and lane condition and street lighting of Waverley Park (generally Glasgow streets are at a poor level in comparison to other parts of Scotland) | 7/30/2017 12:45 PM |
| 35 | Make area a conservation area. Protect period features / look / style of houses. | 7/30/2017 10:19 AM |
| 36 | Emptying street bins more regularly. The street is used as an entrance/exit to both primary and secondary schools via the lane | 7/29/2017 9:24 PM |
| 37 | School to have an anti-litter initiative with provision of regularly emptied refuse receptacles. | 7/29/2017 8:47 PM |
| 38 | Pedestrian crossing at top of ravenswood drive to cross over Pollokshaws road. | 7/29/2017 6:26 PM |
| 39 | Close off the road at the junction with Dinmont Road (along with others as the previous proposal) I'd be happy to come in and out of Waverley Park from Pollokshaws Road. We could then remove the speed bumps. | 7/29/2017 4:43 PM |
| 40 | STREET BINS EMPTIED MORE OFTEN | 7/28/2017 7:40 PM |
| 41 | Less young youths hanging around the lanes surrounding Waverley park | 7/28/2017 7:34 PM |
| 42 | n/a | 7/28/2017 7:13 PM |
| 43 | Traffic calming measures would be great. Closing off Dinmont Rd or Durward Avenue would not be desirable in my view but some way of reducing speed of traffic would be very desirable. | 7/28/2017 5:56 PM |
| 44 | A childrens' play area. | 7/28/2017 5:37 PM |
| 45 | Unsure | 7/28/2017 5:04 PM |
| 46 | Not sure | 7/28/2017 1:58 PM |
| 47 | no weed killer in the back lanes. | 7/28/2017 11:58 AM |
| 48 | More litter awareness - have participated in litter picks in the past, would do so again. Both local schools could play their part though, particularly the Academy. Less fly-tipping too - quite often this is residents themselves. I think more bins are required & ought to be emptied more regularly. | 6/28/2017 12:46 PM |
| 49 | Resurfacing of back lanes. | 6/28/2017 12:43 PM |
